Italsko-česká obchodní a průmyslová komora se účastní evropského projektu QQVET, proto bychom Vás rádi požádali o možné sdílení či šíření našeho dotazníkového šetření. Dotazník je určen pro firmy, které mají zkušenost se zahraničními aktivitami VET.

Dotazník pro zastupce firm: <https://lnkd.in/g/8gD85r>

QQVET (Quality Qualification for Vocational Educational Training) je evropský projekt v rámci programu Erasmus + KA2 pro strategické partnerství. Dotazníkové šetření má za cíl podporovat vzdělávání založené na pracovních zkušenostech aby se snížila propast mezi vzdělávacím prostředím a pracovním prostředím.

Projekt se uskutečňuje také díky aktivnímu zapojení studentů, učitelů, vychovatelů, poskytovatelů VET a firm již pilotních v této oblasti s cílem zlepšit současný model a přivést nové účastníky k používání těchto nástrojů v rámci svých aktivit. Více informací o projektu také zde: <https://lnkd.in/g/eeHTk4J>

Předem děkujeme za Vaši podporu!

VOCATIONAL EDUCATION AND TRAINING

Erasmus+ supports the professional development of people working in vocational education and training (VET) through training periods abroad.

Training periods can be work placements or job shadowing or observation periods at a VET institution or another relevant organisation based in an Erasmus+ Programme country.

Examples of such organisations include businesses, public bodies, social partners, research institutes and non-governmental organisations.
