# QQVET FOCUS ON: SUSTAINABILITY

Each member by the end of the project has to involve at least 6 Associated Partners in the QQVET Network:

Foreseen number by the end of the project: 36 AP

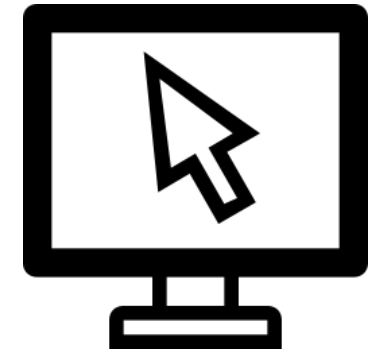

Result so far reached: **36 AP**

4 more AP expected to join the network

**AIM:** These inter-connections ensured the use of the project results and provide space for further collaboration and for more visibility to the project.

# QQVET FOCUS ON: SUSTAINABILITY

**Website:** easy usability of the results

The results on the website will be opened to the contribution of users also after the project period

- Active maintenance of the project website, by the project promoter, for a period of at least five years after the end of the project funding period;
- The project deliverables will continue to be expanded and used
- Network of users and sharing of IO2 video series

# QQVET FOCUS ON: SUSTAINABILITY

## What now?

- Exchange of good practices
- Sharing of materials on website & social media
- Active maintenance of the website for at least 5 years
- Promotion of project network for troubleshooting practical issues between stakeholders, institution and schools

# Thank you!
